We do not accept credit cards. Please pay by check. Your order will not be processed without full payment. No exceptions. US funds only.

When leaving a voice message, we will return your call but we cannot if you don't have voice mail or the information you leave is not understandable. Your phone number/name & address must be spoken slowly and clearly. If you leave a voice message, it helps us immensely if you say your name and phone number first rather than last, especially if your message is a lengthy one.

Prices are subject to change without notice in these unprecedented times of high shipping costs, inflation, and volatile costs of raw materials.

Your address must be correct and exact. Packages cannot be sent to just PO addresses. We may have no other way to contact you if your order is returned to us. We ship small packages by USPS and larger ones by FedEx.

Do not use any previous order form. By using only the most recent one, you will ensure that your order will be processed in a timely manner. We hope to hear from you soon. We appreciate your business. Thank You!
